### Copia shortlisted in Citywire adviser choice awards

LONDON 03/02/22: Discretionary Fund Manager Copia Capital Management is delighted to have been shortlisted in two categories for the 2022 [Citywire Adviser Choice Awards](#) which have just been announced.

Copia has been shortlisted for the awards for 'Best Value for Money', which it won in 2021, and 'Scotland and Northern Ireland'.

The awards are based on scores from the *Citywire New Model Adviser* audience who rate the discretionary fund managers they work with across 10 criteria. More than 700 advisers took part, and their scores are aggregated to produce the shortlists. The award winners will be announced on 10 March at the Citywire Wealth Manager Conference.

Robert Vaudry, managing director of Copia, commented, "We are extremely pleased to have been shortlisted again for these awards. In 2021 we won the 'Best Value for Money' award, and delivering exceptional value remains a key feature of our partnership with advisers. Thanks to everyone who voted for us!"

Copia is a discretionary fund manager that offers a range of Custom and "ready to go" portfolios, as well as a range of ESG-compliant models, screened for their performance, ESG profile and value-for-money characteristics. Recently named the eighth-fastest-growing DFM in the UK in research by [NextWealth](#), Copia offers a proven route for IFAs to reliably de-risk their retail investment activities, delivered through strong working relationships with its clients underpinned by a data-driven approach and technical know-how.
